A purpose built, high quality child care centre providing a total learning experience for children 0 – 6 years of age.

## Our philosophy...

As a provider of care and education for young children we ensure that quality care and a stimulating environment are provided whilst catering to the needs of all children and their families.

Our aim is to provide a centre where children can participate in age appropriate activities which will aid their development in all areas.

Varied experiences will aim to foster the self-esteem and confidence of all children.

The centre has received high quality ratings from the National Childcare Accreditation Council and all staff will work towards the regular accreditation reviews where independent reviewers assess the centre on all of its procedures, policies and activities.

Licensing review will also be carried out regularly by the Community Services Department.

These extensive independent reviews will ensure that the centre maintains high standards at all times and in all areas of its operation.

## Our offer to all enrolled children...

Each child will have the opportunity to be involved in a great range of small and large group learning activities.

Visiting groups will regularly extend our programs.

Involvement in the Early Years Learning Framework which has been devised by COAG (2009) to foster Being, Belonging and Becoming for all children. Staff recognise the importance of learning through play and encourage the development of self-esteem in each child.

A variety of well planned nutritious meals following Department of Health guidelines and offering choices for all children.

An excellent, high quality school readiness program is available for all children during their pre school year.

These are all part of our regular program and parents have the opportunity to be involved in the development of all centre programs and activities throughout the year.
